Notice of Meeting

Dear Member

Notice is hereby given that the Annual General Meeting of Progressive Credit Union will take place online via Zoom on 14 December 2022 at 7.00pm. Please register to attend the Annual General Meeting online at www.progressivecu.ie by close of business on 9 December 2022.

Elections will be held to fill six vacancies on the Board of Directors, two vacancies on the Board Oversight Committee and the position of Auditor.

FINIAN KILTY
Secretary

Order of Business

- Ascertainment that a quorum is present
- Adoption of Standing Orders
- Reading and Approval (or correction) of Minutes of 2021 Annual General Meeting
- Report of the Board of Directors
- Presentation of Financial Statements
- Report of the Auditor
- Appointment of Tellers
- Proposed Rule Changes
- Report of the Nominations Committee
- Balloting
- Report of the Board Oversight Committee
- Audit and Risk Committee Report
- Announcement of Election Results
- Any other business
- Adjournment of meeting

Virtual AGM

We have taken the decision to hold our Annual General Meeting (AGM) by virtual means again this year.

In order to attend and participate in this year's AGM please see instructions below; -

- 1) Please register to attend the Annual General Meeting online at www.progressivecu.ie by close of business on 9 December 2022.
- 2) Your login details will be emailed to you once you are verified as a member that is eligible to attend.
- 3) We will also email you a copy of the minutes of last year's AGM and Standing Orders for this Year's AGM. Please read these before the meeting.
- 4) Please submit questions to the board in advance of the AGM by e-mailing info@progressivecu.ie and the board will address these during the AGM.
- 5) Before the date of the AGM, we would advise you to familiarise yourself with Zoom and prepare for the event ahead of time.
- 6) The starting time will be at 7pm on 14 December 2022. However, we suggest to you to login a little bit earlier to avoid any last minute technical issues.
- 7) Please click on the link provided. Please note that your login details are specific to you and can only be used on one device.
- 8) Please wait for the host (Chair) to start the meeting. While you are waiting, you can test your computer audio. Please make sure it is turned on and at the right volume.
- 9) You will be asked your name before joining the meeting. Please fill in the field with Name and Surname. This information will be used to identify you for the purposes of determining a quorum.
- 10) Please select "Join with Computer Audio", so that you will be able to see and hear the Chair and any persons presenting.
- 11) All non-presenting participants will be muted to allow the smooth running of the meeting. However, you can type a question to the host by clicking on the "Chat" button at the bottom of the page.
- 12) During the meeting you will be given the option to vote anonymously online for the election of officers and on resolutions proposed to be passed at the meeting. A screen will pop up and you will be asked to vote.
- 13) Please note that the Virtual AGM will be recorded for minute-taking and archiving purposes, so any contribution you make will be recorded.
- 14) At the end of the AGM, the host will close the Zoom Meeting.

Year in Review

We would like to present to you our Annual Report and Financial Statements for the year ended 30 September 2022.

Progressive Credit Union has always prided itself as being a safe, stable and financially sound institution in which you can borrow and save with confidence. All savings held with the Credit Union are covered by the Deposit Guarantee Scheme. Total assets now stand at €210 million making us one of the largest credit unions in the country. Our surplus for the year was €1.5 million. While this is an excellent result in a very tough economic environment, there were some once off gains included in the surplus that will not be replicated in future years.

Adequate reserves are the foundation on which the financial stability of a credit union rests. Our reserves at 30 September 2021 amounted to €31.8 million which is a healthy 15.1% of total assets and above the minimum requirement of 10%.

Due to the current economic environment and the negative return we received on some of our investments, we are not proposing to pay a dividend on member's savings this year. We are proposing that the Annual General Meeting agrees that the sum of €1.10 be deducted from each adult member share account by way of an Affiliation Fee to cover the cost of membership of the Irish League of Credit Unions.

Over the financial year 2,661 members have joined Progressive Credit Union. Total membership is now at 59,318 and total member savings are €171.8 million. During the year the Board also increased the savings cap to €20,000.

Progressive Credit Union made a financial return to members by transferring €200,000 to a Community and Social Responsibility Reserve in 2021 to fund sponsorship applications for social, cultural, educational and charitable purposes from members of the credit union. As one of Ireland's largest Community based Credit Unions, Progressive Credit Union prides itself on always being here for all our local communities. We paid out €281,280 from this reserve during the year. With this in mind we propose to transfer a further €300,000 to the Community and Social Responsibility Reserve this year.

Our Loan Book is €59.4 million at 30 September 2022. Progressive Credit Union is actively lending and very much open for business. We will continue to develop our range of Loan Products and are keen to lend, offering approval in principle on loans up to €100,000 in 24 hours.

It is very encouraging to see that the vast majority of our members are still honouring their loan repayment commitments and repaying their loans as agreed. Arrears on loans are relatively low and well under control. We ask that any member who may experience difficulties contact us as soon as possible to review your repayment options.

Our investment portfolio currently stands at €144.9 million. Despite a low and sometimes negative interest rate environment the investment portfolio generated income of €980k in the financial year ending 30 September 2022.

We would like to thank every member of the PCU Team, the Board of Directors, Board Oversight Committee, Staff, Management and all of our Committee Volunteers who have given generously of their time, energy and experience so willingly. Finally, we wish to thank you our loyal members for your support and trust throughout the year.

AIDAN MCGUINNESS
CHAIRMAN

SEAN STAUNTON
CEO

Member Death Benefit Insurance Programme

The current premium is €78.00 per annum for €3,500.00 benefit. Members can sign up at any time during 2023 provided they meet the eligibility criteria at the time of their entry into the scheme.

The following are the cut off dates for new entrants:

Q1 31 December 2022 – Deduction of €78.00 will be made after 1 January 2023

Q2 31 March 2023– Deduction of €58.50 will be made after 1 April 2023

Q3 30 June 2023 – Deduction of €39.00 will be made after 1 July 2023

Q4 30 September 2023 – Deduction of €19.50 will be made after 1 October 2023

**** Members must ensure they have sufficient funds in their shares to facilitate the deduction**

€3,500 towards your funeral costs.
For an annual premium of €78.

TERMS AND CONDITIONS APPLY

Progressive Credit Union Limited is regulated by the Central Bank of Ireland

Deposit Guarantee Scheme Depositor Information Sheet

BASIC INFORMATION ABOUT THE PROTECTION OF YOUR ELIGIBLE DEPOSITS	
Eligible deposits in Progressive Credit Union are protected by:	the Deposit Guarantee Scheme ("DGS") ⁽¹⁾
Limit of protection:	€100,000 per depositor per credit institution ⁽²⁾
If you have more eligible deposits at the same credit institution:	All your eligible deposits at the same credit institution are 'aggregated' and the total is subject to the limit of €100,000 ⁽²⁾
If you have a joint account with other person(s):	The limit of €100,000 applies to each depositor separately ⁽³⁾
Reimbursement period in case of credit institution's failure:	10 working days ⁽⁴⁾
Currency of reimbursement:	Euro or, for branches of Irish banks operating in another member state of the EEA, the currency of that member state.
To contact Progressive Credit Union for enquiries relating to your account:	<p>Progressive Credit Union Harper House 43-45 Dublin Street Balbriggan Co. Dublin</p>
To contact the DGS for further information on compensation:	<p>Deposit Guarantee Scheme Central Bank of Ireland New Wapping Street North Wall Quay Dublin 1 D01 57X3</p> <p>Tel: 0818 681 681</p> <p>Email: info@depositguarantee.ie</p>
More information:	www.depositguarantee.ie

Additional information

⁽¹⁾ **Scheme responsible for the protection of your deposit**

Your deposit is covered by a statutory deposit guarantee scheme. If insolvency should occur, your eligible deposits would be repaid up to €100,000.

⁽²⁾ **General limit of protection**

If a covered deposit is unavailable because a credit institution is unable to meet its financial obligations, depositors are repaid by the DGS. This repayment covers at maximum €100,000 per person per credit institution. This means that all eligible deposits at the same credit institution are added up in order to determine the coverage level. If, for instance, a depositor holds a savings account with €90,000 and a current account with €20,000, he or she will only be repaid €100,000.

⁽³⁾ **Limit of protection for joint accounts**

In case of joint accounts, the limit of €100,000 applies to each depositor. However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of €100,000.

In some cases eligible deposits which are categorised as “temporary high balances” are protected above €100,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits relating to certain events which include:

- (a) certain transactions relating to the purchase, sale or equity release by the depositor in relation to a private residential property;
- (b) sums paid to the depositor in respect of insurance benefits, personal injuries, disability and incapacity benefits, wrongful conviction, unfair dismissal, redundancy, and retirement benefits;
- (c) the depositor's marriage, judicial separation, dissolution of civil partnership, and divorce;
- (d) sums paid to the depositor in respect of benefits payable on death; claims for compensation in respect of a person's death or a legacy or distribution from the estate of a deceased person.

More information can be obtained at www.depositguarantee.ie

⁽⁴⁾ **Reimbursement**

The responsible deposit guarantee scheme is:

Deposit Guarantee Scheme, Central Bank of Ireland, New Wapping Street, North Wall Quay, Dublin 1.

Tel: 0818 681 681. Email: info@depositguarantee.ie. Website: www.depositguarantee.ie.

It will repay your eligible deposits (up to €100,000) within 10 working days to 31 December 2023; and within 7 days from 1 January 2024 onwards, save where specific exceptions apply.

Where the repayable amount cannot be made available within seven working days depositors will be given access to an appropriate amount of their covered deposits to cover the cost of living within five working days of a request. Access to the appropriate amount will only be made on the basis of data provided by the credit institution. If you have not been repaid within these deadlines, you should contact the deposit guarantee scheme.

OTHER IMPORTANT INFORMATION

In general, all retail depositors and businesses are covered by the Deposit Guarantee Scheme. Exceptions for certain deposits are stated on the website of the Deposit Guarantee Scheme. Your credit institution will also inform you on request whether certain products are covered or not. If deposits are eligible, the credit institution shall also confirm this on the statement of account.

Progressive Credit Union Limited

YOUR CONTINUED SUPPORT RESULTS IN OUR CONTINUED SUPPORT WITHIN THE LOCAL COMMUNITY

€281,280

Given back to our members from our members this year

To remain at the heart of the community, Progressive Credit Union provides financial assistance to local groups and clubs through our Community and Social Responsibility Reserve.

Directors' report

For the financial year ended 30 September 2022

The directors present their annual report and the audited financial statements for the financial year ended 30 September 2022.

Principal activity

The principal activity of the business continues to be the operation of a credit union.

Authorisation

The credit union is authorised as follows:

- Insurance, reinsurance or ancillary insurance intermediary under the European Union (Insurance Distribution) Regulations, 2018.
- Investment Intermediaries (Restricted Activity Investment Product Intermediary) pursuant to Section 26 of the Investment Intermediaries Act, 1995 (as amended).
- Entitled under the European Union (Payment Services) Regulations 2018 to provide payment services.
- To act on behalf of a payment institution in providing payment services.

Business review

The directors acknowledge the results for the year and the year-end financial position of the credit union. The directors expect to develop and expand the credit union's current activities and they are confident of its ability to continue to operate successfully in the future.

Dividends

The directors are not proposing a dividend in respect of the financial year ended 30 September 2022 (2021: The directors did not propose a dividend).

Principal risks and uncertainties

The principal risks and uncertainties faced by the credit union are:

Credit risk

Credit risk is the risk that a borrower will default on their contractual obligations relating to repayments to the credit union, resulting in financial loss.

Lack of loan demand

Lending is the principal activity of the credit union and the credit union is reliant on lending for generating income to cover costs and generate a surplus.

Market risk

Market risk is the risk that the value of an investment will decrease. This risk can arise from fluctuations in values of, or income from, assets or changes in interest rates.

Liquidity risk

Liquidity risk is the risk that the credit union will not have sufficient cash resources to meet day to day running costs and repay members' savings when demanded.

Operational risk

Operational risk is the risk of loss resulting from inadequate or failed processes or systems of the credit union, any failure by persons connected with the credit union or from external events.

Global macro-economic risk

There is an economic and operational risk relating to rising inflation rates, disruption to global supply chains and a general uncertainty in the markets as a result of the pandemic and the on-going war in Eastern Europe.

Directors' report (continued)

For the financial year ended 30 September 2022

These risks and uncertainties are managed by the board of directors as follows:

Credit risk

In order to manage this risk, the board of directors regularly reviews and approves the credit union's lending policies. All loan applications are assessed with reference to the lending policies in force at the time. Subsequently loans are regularly reviewed for any factors that may indicate that the likelihood of repayment has changed.

Lack of loan demand

The credit union provide lending products to its members and promote these products through various marketing initiatives.

Market risk

The board of directors regularly reviews and approves the credit union's investment policy and funds are invested in compliance with this policy and regulatory guidance.

Liquidity risk

The credit union's policy is to maintain sufficient funds in liquid form at all times to ensure that it can meet its liabilities as they fall due.

Operational risk

The operational risk of the credit union is managed through the employment of suitably qualified staff to ensure appropriate processes, procedures and systems are implemented and are further supported with a robust reporting structure.

Global macro-economic risk

The board of directors and management closely monitor the developments of rising inflation rates and disruption to global supply chains and markets, and continue to take appropriate actions to mitigate any possible adverse effects on the credit union.

Accounting records

The directors believe that they comply with the requirements of Section 108 of the Credit Union Act, 1997 (as amended) with regard to books of account by employing accounting personnel with appropriate expertise and by providing adequate resources to the finance function. The books of account of the credit union are maintained at the credit union's premises at Harper House, 43-45 Dublin Street, Balbriggan, Co. Dublin.

Events after the end of the financial year

There have been no significant events affecting the credit union since the year end.

Auditors

In accordance with Section 115 of the Credit Union Act, 1997 (as amended), the auditors Grant Thornton offer themselves for re-election.

This report was approved by the board and signed on its behalf by:

AIDAN MCGUINNESS
Chairperson of The Board Of Directors

FINIAN KILTY
Member of The Board Of Directors

DATE: 22 November 2022

Directors' responsibilities statement

For the financial year ended 30 September 2022

The directors are responsible for preparing the financial statements in accordance with applicable Irish law and regulations. The directors have elected to prepare the financial statements in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)". The directors are also responsible for preparing the other information included in the annual report. The Credit Union Act, 1997 (as amended) requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the credit union and of the income and expenditure of the credit union for that period.

In preparing those financial statements the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and reason for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the credit union will continue in business.

The directors are responsible for ensuring that the credit union keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the credit union, enable at any time the assets, liabilities, financial position and income and expenditure of the credit union to be determined with reasonable accuracy, enable them to ensure that the financial statements comply with the Credit Union Act, 1997 (as amended) and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the credit union and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The directors are responsible for the maintenance and integrity of the corporate and financial information included on the credit union's website.

On behalf of the board:

AIDAN McGUINNESS

Chairperson of The Board Of Directors

DATE: 22 November 2022

FINIAN KILTY

Member of The Board Of Directors

Board oversight committee's responsibilities statement

For the financial year ended 30 September 2022

The Credit Union Act, 1997 (as amended) requires the appointment of a board oversight committee to assess whether the board of directors has operated in accordance with part iv, part iv(a) and any regulations made for the purposes of part iv or part iv(a) of the Credit Union Act, 1997 (as amended) and any other matter prescribed by the Central Bank of Ireland in respect of which they are to have regard to in relation to the board of directors.

On behalf of the board oversight committee:

CIARAN MC LOUGHLIN

Chairperson of the board oversight committee

DATE: 22 November 2022

Independent auditor's report to the members of Progressive Credit Union Limited

Opinion

We have audited the financial statements of Progressive Credit Union Limited, which comprise the income and expenditure account, the statement of other comprehensive income, the balance sheet, the statement of changes in reserves and the statement of cash flows for the financial year ended 30 September 2022, and the related notes to the financial statements, including the summary of significant accounting policies.

The financial reporting framework that has been applied in the preparation of the financial statements is Irish law including the Credit Union Act, 1997 (as amended) and accounting standards issued by the Financial Reporting Council including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (Generally Accepted Accounting Practice in Ireland).

In our opinion, Progressive Credit Union Limited's financial statements:

- give a true and fair view in accordance with Generally Accepted Accounting Practice in Ireland of the state of the credit union's affairs as at 30 September 2022 and of its income and expenditure and cash flows for the year then ended; and
- have been properly prepared so as to conform with the requirements of the Credit Union Act, 1997 (as amended).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) ('ISAs (Ireland)') and applicable law. Our responsibilities under those standards are further described in the 'responsibilities of the auditor for the audit of the financial statements' section of our report. We are independent of the credit union in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and the ethical pronouncements established by Chartered Accountants Ireland, applied as determined to be appropriate in the circumstances for the entity. We have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the director's use of going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the credit union's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

Other information comprises information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Independent auditor's report to the members of Progressive Credit Union Limited (continued)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed on the other information, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by the Credit Union Act, 1997 (as amended)

Based solely on the work undertaken in the course of the audit, we report that:

- we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit;
- in our opinion proper accounting records have been kept by the credit union;
- the financial statements are in agreement with the accounting records of the credit union; and
- the financial statements contain all primary statements, notes and significant accounting policies required to be included in accordance with section 111(1)(c) of the Act.

Responsibilities of directors for the financial statements

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements which give a true and fair view in accordance with Generally Accepted Accounting Practice in Ireland, including FRS 102, and for such internal control as they determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the credit union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intends to liquidate the credit union or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the auditor for the audit of the financial statements

The auditor's objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes their opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Independent auditor's report to the members of Progressive Credit Union Limited (continued)

As part of an audit in accordance with ISAs (Ireland), the auditor will exercise professional judgement and maintain professional scepticism throughout the audit. The auditor will also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for their opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the credit union's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the credit union's ability to continue as a going concern. If they conclude that a material uncertainty exists, they are required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify their opinion. Their conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the credit union to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves a true and fair view.

The auditor communicates with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that may be identified during the audit.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the credit union's members, as a body, in accordance with section 120 of the Credit Union Act, 1997 (as amended). Our audit work has been undertaken so that we might state to the credit union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the credit union and the credit union's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the financial statements

For the financial year ended 30 September 2022

1. Legal and regulatory framework

Progressive Credit Union Limited is registered with the Registry of Credit Unions and is regulated by the Central Bank of Ireland. The registered office of the credit union is Harper House, 43-45 Dublin Street, Balbriggan, Co. Dublin.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with applicable Irish accounting standards, including Financial Reporting Standard 102, the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland and Irish statute comprising of the Credit Union Act, 1997 (as amended). The financial statements have been prepared on the historical cost basis.

The financial statements are presented in Euro (€) which is also the functional currency of the credit union.

The following principal accounting policies have been applied:

2.2 Statement of compliance

The financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (FRS 102).

2.3 Going concern

After reviewing the credit union's projections, the directors have reasonable expectation that the credit union has adequate resources to continue in operational existence for the foreseeable future. The credit union therefore continues to adopt the going concern basis in preparing its financial statements.

2.4 Income

Interest on members' loans

Interest on members' loans is recognised on an accruals basis using the effective interest method.

Deposit and investment income

Deposit and investment income is recognised on an accruals basis using the effective interest method.

Other income

Other income is recognised on an accruals basis.

2.5 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and deposits and investments with a maturity of less than or equal to three months.

2.6 Deposits and investments

Held at amortised cost

Investments designated on initial recognition as held at amortised cost are measured at amortised cost using the effective interest method less impairment. This means that the investment is measured at the amount paid for the investment, minus any repayments of the principal; plus or minus the cumulative amortisation using the effective interest method of any difference between the amount at initial recognition and the maturity amount, minus, in the case of a financial asset, any reduction for impairment or uncollectability.

Notes to the financial statements (continued)

For the financial year ended 30 September 2022

2. Accounting policies (continued)

Central Bank deposits

Credit unions are obliged to maintain certain minimum deposits with the Central Bank but may also hold an excess over the regulatory minimum. The regulatory minimum deposits are technically assets of the credit union but to which the credit union has restricted access. The regulatory minimum portion will not ordinarily be returned to the credit union while it is a going concern and is separately identified in note 8, Deposits and investments - other. Funds held with the Central Bank in excess of the regulatory minimum requirements are fully available to the credit union and are therefore treated as cash equivalents and are separately identified in note 8, Deposits and investments – cash equivalents. The amounts held on deposit with the Central Bank are not subject to impairment reviews.

Investments at fair value

Investments designated on initial recognition as non basic are recognised at fair value. They are subsequently measured at fair value (market value) at the year-end date and all gains and losses are taken to the income and expenditure account.

2.7 Financial assets – loans to members

Loans are financial assets with fixed or determinable payments. Loans are recognised when cash is advanced to members and measured at amortised cost using the effective interest method.

Loans are derecognised when the right to receive cash flows from the asset has expired, usually when all amounts outstanding have been repaid by the member.

2.8 Provision for bad debts

The credit union assesses if there is objective evidence that any of its loans are impaired with due consideration of environmental factors. The loans are assessed collectively in groups that share similar credit risk characteristics. Individually significant loans are assessed on a loan by loan basis. In addition, if there is objective evidence that any individual loan is impaired, a specific loss will be recognised. Bad debt provisioning is monitored by the credit union, and the credit union assesses and approves its provisions and the adequacy of same on a regular basis.

Any bad debts/impairment losses are recognised in the income and expenditure account.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in the income and expenditure account.

2.9 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

The credit union adds to the carrying amount of an item of fixed assets the cost of replacing part of such an item when that cost is incurred, if the replacement part is expected to provide incremental future benefits to the credit union. The carrying amount of the replaced part is derecognised. Repairs and maintenance are charged to the income and expenditure account during the period in which they are incurred.

Notes to the financial statements (continued)

For the financial year ended 30 September 2022

2. Accounting policies (continued)

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Depreciation is provided on the following basis:

Freehold premises	2% straight line per annum
Leasehold improvements	Over the lesser of the useful economic life and the remaining term of the lease
Motor vehicles	25% straight line per annum
Fixtures, fittings and equipment	20% straight line per annum
Computer equipment	33.33% straight line per annum

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date. Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised within 'other gains' or 'other losses' in the income and expenditure account.

2.10 Impairment of assets

At each reporting date assets are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset is estimated and compared with its carrying amount. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in the income and expenditure account. If an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in the income and expenditure accounts.

2.11 Other receivables

Other receivables such as prepayments are initially measured at transaction price including transaction costs and are subsequently measured at amortised cost using the effective interest method.

2.12 Financial liabilities – members' shares and member's deposits

Members' shares and members' deposits are redeemable and therefore are classified as financial liabilities. They are initially recognised at the amount of cash deposited and subsequently measured at amortised cost.

2.13 Members deposits

Interest on members' deposits is recognised on an accruals basis using the effective interest method.

Notes to the financial statements (continued)

For the financial year ended 30 September 2022

2. Accounting policies (continued)

2.14 Members' current accounts

The credit union provides Member Personal Current Account Services in accordance with Section 49(3) of the Credit Union Act, 1997 (as amended).

2.15 Other payables

Short term other liabilities, creditors, accruals and charges are measured at the transaction price.

2.16 Pension costs

The credit union operates a defined contribution pension plan for its employees. A defined contribution plan is a pension plan under which the credit union pays fixed contributions into a separate entity. Once the contributions have been paid the credit union has no further payment obligations.

The contributions are recognised as an expense in the income and expenditure account when they fall due. Amounts not paid are shown in accruals as a liability on the balance sheet. The assets of the plan are held separately from the credit union in independently administered funds. The amount payable at the year end in respect of same was €25,035 (2021: €24,572).

2.17 Holiday pay

A liability is recognised to the extent of any unused holiday pay entitlement which is accrued at the balance sheet date and carried forward to future periods. This is measured at the undiscounted salary cost of the future holiday entitlement so accrued at the balance sheet date.

2.18 Operating leases

Rentals payable under operating leases are charged to the income and expenditure account on a straight line basis over the lease term.

2.19 Termination benefits

Termination benefits are included in employments costs where applicable and are expensed to the income and expenditure account on an accruals basis.

2.20 Derecognition of financial liabilities

Financial liabilities are derecognised when the obligations of the credit union specified in the contract are discharged, cancelled or expired.

2.21 Regulatory reserve

The Credit Union Act 1997 (Regulatory Requirements) Regulations 2016 requires credit unions to establish and maintain a minimum regulatory reserve requirement of at least 10 per cent of the assets of the credit union. This reserve is to be perpetual in nature, freely available to absorb losses, realised financial reserves that are unrestricted and non-distributable.

Notes to the financial statements (continued)

For the financial year ended 30 September 2022

2. Accounting policies (continued)

2.22 Operational risk reserve

Section 45(5)(a) of the Credit Union Act, 1997 (as amended) requires each credit union to maintain an additional reserve that it has assessed is required for operational risk having regard to the nature, scale and complexity of the credit union. Credit unions are required to maintain a minimum operational risk reserve having due regard for the sophistication of the business model.

The directors have considered the requirements of the Act and have calculated the operational risk reserve requirement by reference to the predicted impact of operational risk events that may have a material impact on the credit union's business.

In addition, the credit union has included in its operational risk reserve a Member Personal Current Account Service operational risk reserve, in accordance with Section 49(3) of the Credit Union Act, 1997 (as amended).

2.23 Other reserves

Other reserves are the accumulated surpluses to date that have not been declared as dividends returnable to members. The other reserves are subdivided into realised and unrealised. The credit union has a community and social responsibility reserve to be used by the credit union for social, cultural and charitable purposes in accordance with section 44 of the Credit Union Act, 1997 (as amended) and this is included in realised reserves. In accordance with the Central Bank guidance note for credit unions on matters relating to accounting for investments and distribution policy, investment income that has been recognised but will not be received within 12 months of the balance sheet date is classified as unrealised and is not distributable. A reclassification between unrealised and realised is made as investments come to within 12 months of maturity date. The directors have deemed it appropriate that interest on loans receivable at the balance sheet date and the balance of the SPS refund receivable is also classified as unrealised and is not distributable. All other income is classified as realised.

2.24 Distribution policy

Dividends are made from the current year's surplus or reserves set aside for that purpose. The board's proposed dividend to members each year is based on the distribution policy of the credit union.

The rate of dividend recommended by the board will reflect:

- the risk profile of the credit union, particularly in its loan and investments portfolios;
 - the board's desire to maintain a stable rather than a volatile rate of dividend each year; and
 - members' legitimate dividend expectations;
- all dominated by prudence and the need to sustain the long-term welfare of the credit union.

For this reason the board will seek to build up its reserves to absorb unexpected shocks and still remain above minimum regulatory requirements.

The credit union accounts for dividends when members ratify such payments at the Annual General Meeting.

Notes to the financial statements (continued)

For the financial year ended 30 September 2022

2. Accounting policies (continued)

2.25 Transfer of engagements

Transfer of engagements are accounted for using the acquisition method of accounting. This involves recognising identifiable assets and liabilities of the acquired credit unions at fair value. In applying the acquisition method of accounting for these business combinations, the member interests transferred by the credit union represents the consideration transferred for the net assets acquired. This consideration has been estimated as equivalent to the acquisition date fair value of the members' interests in the transferor credit union (the fair value of the transferor credit union) at the date of the transfer, and is reflected as an adjustment in reserves.

2.26 Taxation

The credit union is not subject to income tax or corporation tax on its activities.

3. Judgements in applying accounting policies and key source of estimation uncertainty

Preparation of the financial statements requires the directors to make significant judgements and estimates. The items in the financial statements where these judgements and estimates have been made include:

Determination of depreciation, useful economic life and residual value of tangible assets

The annual depreciation charge depends primarily on the estimated lives of each type of asset and, in certain circumstances, estimates of residual values. The directors regularly review these useful lives and change them if necessary to reflect current conditions. In determining these useful lives management consider technological change, patterns of consumption, physical condition and expected economic utilisation of the assets. Changes in the useful lives can have a significant impact on the depreciation charge for the financial year. The net book value of tangible fixed assets subject to depreciation at the year end was €4,609,752 (2021: €4,205,736).

Provision for bad debts

The credit union's accounting policy for impairment of loans is set out in note 2.8. The estimation of loan losses is inherently uncertain and depends upon many factors, including loan loss trends, credit risk characteristics in loan classes, local and international economic climates, conditions in various sectors of the economy to which the credit union is exposed, and, other external factors such as legal and regulatory requirements. The provision for bad debts in the financial statements at the year end was €4,038,968 (2021: €3,897,912) representing 6.80% (2021: 7.38%) of the total gross loan book.

Operational risk reserve

The directors have considered the requirements of the Credit Union Act, 1997 (as amended) and have developed an approach to the calculation of the operational risk reserve. In addition, the credit union has included in its operational risk reserve a Member Personal Current Account Service operational risk reserve, in accordance with Section 49(3) of the Credit Union Act, 1997 (as amended). The operational risk reserve of the credit union at the year end was €1,148,570 (2021: €1,043,650).

Notes to the financial statements (continued)

For the financial year ended 30 September 2022

3. Judgements in applying accounting policies and key source of estimation uncertainty (continued)

Adoption of going concern basis for financial statements preparation

The credit union continue to closely monitor developments within the global macro-economic environment. The directors have prepared projections and cash flows for a period of at least twelve months from the date of the approval of the financial statements which demonstrate that there is no material uncertainty regarding the credit union's ability to meet its liabilities as they fall due, and to continue as a going concern. On this basis the directors consider it appropriate to prepare the financial statements on a going concern basis. Accordingly, these financial statements do not include any adjustments to the carrying amounts and classification of assets and liabilities that may arise if the credit union was unable to continue as a going concern.

4. Transfers of engagements

On 20 October 2021 Progressive Credit Union Limited ("PCU") accepted the transfer of Fairview Credit Union Limited ("FCU"). The assets and liabilities of FCU at the date of transfer were incorporated into the balance sheet of PCU at that date.

PCU did not pay any consideration in respect of the transfers of engagements. On the date of transfer, the members of the transferor credit union became members of PCU, and thereby became entitled to member interest associated with such membership. In applying the acquisition method of accounting for this business combination, the members' interests transferred by PCU represents the consideration transferred for the net assets acquired. This consideration has been estimated as equivalent to the acquisition date fair value of the members' interests in the transferor credit union (the fair value of the transferor credit union) at the date of transfer, and is reflected as an adjustment in reserves in note 18.

The fair values of the net assets acquired are detailed below:

	Fair value of FCU assets and liabilities acquired by PCU
	€
Cash on hand and at bank	1,931,047
Deposits and investments	4,863,626
Loans to members	1,334,831
Provision for bad debts	(88,801)
Tangible fixed assets	838,747
Debtors, prepayments and accrued income	5,880
Members' shares	(7,704,928)
Other liabilities, creditors, accruals and charges	(31,061)
	1,149,341

Members' draw balance	11,572	15,873
PAYE/PRSI	79,720	64,941
As at 30 September	1,209,657	1,121,803

Progressive Credit Union Limited

Notes to the financial statements (continued)

For the financial year ended 30 September 2022

16. Other provisions

	2022	2021
	€	€
Holiday pay accrual		
At 1 October	63,246	32,292
Charged to the income and expenditure account	(718)	30,954
As at 30 September	62,528	63,246

17. Financial instruments

17a. Financial instruments – measured at amortised cost

Financial assets	2022	2021
	€	€
Financial assets measured at amortised cost	165,877,240	162,144,784
Financial liabilities	2022	2021
	€	€
Financial liabilities measured at amortised cost	178,539,571	172,977,558

Financial assets measured at amortised cost comprise cash and balances at bank, deposits and investments, loans, members' current accounts overdrawn and other debtors.

Financial liabilities measured at amortised cost comprise members' savings, members' current accounts, other liabilities, creditors, accruals and charges and other provisions.

17b. Financial instruments – fair value measurements

FRS 102 requires fair value measurements to be disclosed by the source of inputs, using a three level hierarchy:

- Quoted prices for identical instruments in active market (level 1);
- Prices of recent transactions for identical instruments and valuation techniques using observable market data (level 2); and
- Valuation techniques using unobservable market data (level 3).

The table below sets out fair value measurements using the fair value hierarchy:

At 30 September 2022	Total	Level 1	Level 2	Level 3
	€	€	€	€
Accounts in authorised credit institutions	38,642,763	-	38,642,763	-
Bank bonds	2,000,822	-	2,000,822	-
Other investments	2,944,317	-	2,944,317	-
Total	43,587,902	-	43,587,902	-

Progressive Credit Union Limited

Notes to the financial statements (continued)

For the financial year ended 30 September 2022

17b. Financial instruments – fair value measurements (continued)

At 30 September 2021	Total	Level 1	Level 2	Level 3
	€	€	€	€
Accounts in authorised credit institutions	37,643,360	-	37,643,360	-
Bank bonds	2,000,000	-	2,000,000	-
Total	39,643,360	-	39,643,360	-

There were fair value adjustments recognised in the income and expenditure account for the year ended 30 September 2022 of (€33,182) (2021: €nil).

18. Reserves

19. Credit risk disclosures

In line with regulatory requirements, the credit union:

- restricts the concentration of lending by the credit union within certain sectors or to connected persons or groups (concentration limits);
- restricts the absolute amount of lending to certain sectors to a set percentages of the regulatory reserve (large exposure limit);

Progressive Credit Union Limited

Notes to the financial statements (continued)

For the financial year ended 30 September 2022

19. Credit risk disclosures (continued)

- restricts the loan duration of certain loans to specified limits (maturity limits); and
- requires specified lending practices to be in place where loans are made to certain sectors such as business loans, community loans or loans to another credit union.

The carrying amount of the loans to members represents the credit union maximum exposure to credit risk. The following provides information on the credit quality of loan repayments. Where loans are not impaired it is expected that the amounts repayable will be received in full.

	2022		2021	
	€	%	€	%
Loans not impaired				
Total loans not impaired, not past due	53,760,958	90.54%	47,048,462	89.13%
Impaired loans:				
Not past due	494,265	0.83%	745,175	1.41%
Up to 9 weeks past due	3,854,120	6.50%	3,728,535	7.06%
Between 10 and 18 weeks past due	663,825	1.12%	461,172	0.88%
Between 19 and 26 weeks past due	66,374	0.11%	124,479	0.24%
Between 27 and 39 weeks past due	155,413	0.26%	143,534	0.27%
Between 40 and 52 weeks past due	55,208	0.09%	110,402	0.21%
53 or more weeks past due	325,817	0.55%	424,566	0.80%
Total impaired loans	5,615,022	9.46%	5,737,863	10.87%
Total loans	59,375,980	100.00%	52,786,325	100.00%

20. Related party transactions

20a. Loans

	2022		2021	
	No. of loans	€	No. of loans	€
Loans advanced to related parties during the year	8	90,700	10	128,901
Total loans outstanding to related parties at the year end	11	164,824	11	136,936
Total provision for loans outstanding to related parties		6,088		3,794

The related party loans stated above comprise of loans outstanding to directors and the management team (to include their family members or any business in which the directors or management team had a significant shareholding). Total loans outstanding to related parties represents 0.28% of the total loans outstanding at 30 September 2022 (2021: 0.26%).

20b. Savings

The total amount of savings held by related parties at the year end was €287,453 (2021: €287,053).

Notes to the financial statements (continued)

For the financial year ended 30 September 2022

21. Additional financial instruments disclosures

21a. Financial risk management

The credit union manages its members' savings and loans so that it earns income from the margin between interest receivable and interest payable. The main financial risks arising from the credit union's activities are credit risk, market risk, liquidity risk and interest rate risk. The board of directors reviews and agrees policies for managing each of these risks, which are summarised below.

Credit risk: Credit risk is the risk that a borrower will default on their contractual obligations relating to repayments to the credit union, resulting in financial loss. In order to manage this risk the board of directors regularly reviews and approves the credit union's lending policies. Credit risk mitigation may include the requirement to obtain collateral as set out in the credit union's lending policies. Where collateral or guarantees are required, they are usually taken as a secondary source of repayment in the event of the borrower's default. The credit union maintains policies which detail the acceptability of specific classes of collateral. The principal collateral types for loans are: an attachment over members' pledged shares; personal guarantees; and charges over assets. The nature and level of collateral required depends on a number of factors such as the term of the loan and the amount of exposure. All loan applications are assessed with reference to the lending policies in force at the time. Subsequently loans are regularly reviewed for any factors that may indicate that the likelihood of repayment has changed.

Market risk: Market risk is the risk that the value of an investment will decrease. This risk can arise from fluctuations in values of, or income from, assets or changes in interest rates. The board of directors regularly reviews and approves the credit union's investment policy and funds are invested in compliance with this policy and regulatory guidance.

Liquidity risk: Liquidity risk is the risk that the credit union will not have sufficient cash resources to meet day to day running costs and repay members' savings when demanded. The credit union's policy is to maintain sufficient funds in liquid form at all times to ensure that it can meet its liabilities as they fall due.

Interest rate risk: The credit union's main interest rate risk arises from adverse movements in interest rates receivable which would affect investment income. The credit union reviews any potential new investment product carefully to ensure that minimum funds are locked in low yielding long term investments yet at the same time maximising investment income receivable.

21b. Liquidity risk disclosures

The credit union's policy is to maintain sufficient funds in liquid form at all times to ensure that it can meet its liabilities as they fall due. The credit union adheres on an ongoing basis to the minimum liquidity ratio and minimum short term liquidity ratio as set out in regulatory requirements.

21c. Interest rate risk disclosures

The following shows the average interest rates applicable to relevant financial assets and financial liabilities.

	2022		2021	
	€	Average interest rate %	€	Average interest rate %
Gross loans to members	59,375,980	7.61%	52,786,325	7.94%

Any dividend payable is at the discretion of the directors and is therefore not a financial liability of the credit union until declared and approved at the AGM.

Progressive Credit Union Limited

Notes to the financial statements (continued)

22. Dividends

The following distributions were paid during the year:

	2022		2021	
	%	€	%	€
Dividend on shares	-	-	-	-

The directors are not proposing a dividend in respect of the financial year ended 30 September 2022 (2021: The directors did not propose a dividend).

23. Rate of interest paid on members' deposit accounts

	2022		2021	
	%	€	%	€
Interest on deposits	-	-	-	-

24. Events after the end of the financial year

There have been no significant events affecting the credit union since the year end.

25. Insurance against fraud

The credit union has Insurance against fraud in the amount of €5,200,000 (2021: €5,200,000) in compliance with Section 47 of the Credit Union Act, 1997 (as amended)

26. Capital commitments

There were no capital commitments at 30 September 2022.

27. Contingent liabilities

There is a contingent liability included in the letter of authority held by Bank of Ireland with regard to a VISA Business Card 12/2008 in the sum of €22,500 and Electronic Funds Transfer in the sum of €40,000.

28. Leasing commitments

The credit union entered into a 20 year lease on 8 October 2019 which has a break clause after 5 years. The credit union had future minimum lease payments under a non-cancellable operating lease as follows:

	2022	2021
	€	€
Less than 1 year	35,000	35,000
1 to 5 years	35,000	70,000
As at 30 September	70,000	105,000

29. Comparative information

Comparative information has been reclassified where necessary to conform to current year presentation.

30. Approval of financial statements

The board of directors approved these financial statements for issue on 22 November 2022.

Schedules to the income and expenditure account

Nominations Committee Report

The role of the Nominations Committee under 56B of the Credit Union Act 1997 (as amended) include:

- Reviewing and amending the Succession Plan and presenting to the Board for approval.
- Reviewing the composition of the Board and identifying any gaps in the skill set Training needs for the Board.

Training that were identified, were in the areas of GDPR, AML, Ethics and Data Protection was organised and completed. We reviewed and arranged for completion by Board members of updated Fitness and Probity forms.

There was one resignation from the Board during the year and two new appointments to the Board.

As part of the Board renewal plan and to ensure the high standard of volunteers, the Nominations Committee considered the balance of the skills, knowledge and experience on the Board. E-mails were issued, video advertisement played in all PCU offices and adverts were placed in social media, seeking expression of interest.

We currently have a panel of suitable skilled and experienced candidates for nomination to the Board, as vacancies arise. However, further additions to the panel will be required. If this is something that would interest you, as a member of the Progressive Credit Union and you feel that you have the commitment to give to your Credit Union, then please send your CV by email to: - nominations@pcuboard.ie

Board of Directors' Elections

This year, two directors will be resigning from the Board. There are four directors up for re-election to the Board of Directors as well as up to two candidates up for election.

- Four are three years in duration
- One is two years in duration
- One is one year in duration

Every candidate nominated for appointment as a member of the Board, are proposed through the Nominations Committee only.

Board Oversight Committee

There are two vacancies on the Board Oversight Committee.

- One is three years in duration
- One is two years in duration

Auditor

Grant Thornton Chartered Accountants proposed for election as Auditor.

Audit and Risk Committee report

The role of the Audit and Risk Committee is to assist the Board of Directors fulfil its governance and oversight responsibilities regarding the safeguarding of assets and members' deposits; and to ensure compliance with regulatory requirements. Committee responsibilities are to:

- ensure the independence, and ongoing effectiveness of the Internal Audit function and its compliance with the Credit Union Act.
- engage with the external auditor to confirm their independence.
- oversee the risk management function and ensure key risks to PCU are identified and managed consistent with risk tolerance levels agreed with the board.

Internal Audit Function

Moore Ireland continue to act as Progressive Credit Union's Internal Audit Function. In agreement with the committee and approved by the board, Moore's work plan (2021-22) included areas that could have been adversely impacted in the post-pandemic environment, and other topical risk related areas, e.g. Climate Change and Cyber Security threats.

Every quarter, Moore actively engaged with the Audit and Risk Committee through the provision of detailed reports and presentation of their audit findings. This allowed the committee to satisfy themselves that Moore carried out their work independently and reported substantially and effectively on all findings. In addition, the committee had visibility to corrective active plans and recommendations made by Moore and actioned appropriately by the management team.

The committee can confirm the Internal Audit function is independent and has a reporting line and unfettered access to the Audit and Risk Committee.

External Auditor

Grant Thornton continues to act as Progressive Credit Union's external audit partner. In the usual course of engagement with the board, the committee met with them and can confirm their independence and the constructiveness of their interaction with the board. We are satisfied that Grant Thornton's activities during the year supported the delivery of their responsibilities.

Risk Management Function

The role of the Audit and Risk Committee is to ensure the risk management framework works effectively and allows the board to fulfil its oversight responsibilities regarding financial risks; the safeguarding of assets and members' deposits; and remain in compliance with regulatory requirements of the Credit Union Act.

Through monthly meetings with the Risk Management Officer, the committee has consistently assured the board that the risk management framework is operating effectively, and confirms key risks to Progressive Credit Union are identified, and managed within thresholds documented in the Risk Appetite Statement and approved by the board.

The committee assures the board, Progressive Credit Union is in full regulatory compliance and responds

Progressive Credit Union Limited

appropriately to recommendations issued by the Central Bank. In addition, we confirm all necessary policies are in place and reflect adherence to best practises as they evolve. The committee will continue to work closely with the internal audit and the risk management functions to ensure systems and controls are as robust as possible.

We believe we have, with the assistance of external partners and the management team, adequately carried out our duties and responsibilities in accordance with the Credit Union Act, and has satisfied its obligations to the members of Progressive Credit Union.

Finally, thanks to the management and staff for all assistance provided during the year.

Elizabeth Boylan (Chairperson)

Jill Kiernan (Secretary)

Abhijeet Harolikar

Aidan McGuinness

Mary Phelan

Report of the Board Oversight Committee for the Year Ended 30 September 2022

The functions of the Board Oversight Committee are set out in Part IVA of the Credit Union and Co-operation with Overseas Regulators Act 2012 (CUCORA). The Board Oversight Committee is not directly involved in the operation of the Credit Union. Its role is to assess whether the Board of Directors has operated in accordance with,

- (a) Part IV and Part IVA of the Credit Union Act, 1997 (as amended) and
- (b) Any other matter prescribed by the Central Bank in relation to the Board of Directors.

The Board Oversight Committee attended every meeting of the Board. The Committee met the Board of Directors four times during the year and provided them with a written assessment.

The BOC acknowledge that PCU Board continues to act in accordance with Part IV of the Credit Union Act. During the year we have obtained information and explanations, which, to the best of our knowledge and belief, we consider assures the Board Oversight Committee that the Board of PCU continually strive for & maintain a robust governance structure in order to protect the members' assets.

The Committee would like to thank the Board of Directors, the CEO and the Staff for the co-operation shown to us throughout the year.

Judy Dunne, Chair of the Board Oversight Committee and a former member of the Board resigned this year after many years' voluntary service. Judy made a substantial contribution to PCU and its predecessors in a variety of functions and roles. We thank Judy for her dedication and commitment to the Credit Union movement and wish her well for the future.

Board Oversight Committee
Ciaran McLoughlin, Chair
Mairead Mac Quaille, Secretary

Progressive Credit Union Limited

January 2022	Kirsty Russell		Gwen Kenny
			Gillian O Regan
		November 2021	Patrick Donnelly
		October 2021	Maurice Curran

AML Requirements

Identification Requirements

In order to comply with legislation to combat money laundering and terrorist financing, Progressive Credit Union is obliged to verify and maintain up to date proof of both your identity and your current permanent address whilst you are an active account holder.

Perhaps you may have received a letter requesting this documentation or a member of staff has advised you that your account documentation requires updating. If so, please assist the credit union in fulfilling its legal obligations by providing your information in branch at your earliest convenience. You are required to provide the original of one Photo ID and one Proof of Address as outlined below.

Suitable Proof of Photographic Identification:

- Current Valid signed Passport
- Passport Card
- Current Valid EU Driving License– must contain photograph (Irish Learner Permit accepted)

Suitable Proof of Address:

Documents must be issued to you at your home address within the past 6 months

- Utility Bill e.g. telephone, mobile, gas, electricity, heating, oil, waste collection, etc.
- Correspondence from a Regulated Financial Institution operating in the Republic of Ireland (Insurance / Assurance Co., Bank, Building Society, Credit Union, Credit Card Company)
- Correspondence from a Government Department / Body

Note

The name on your photographic identification (e.g. name on your passport) must exactly match the name on your proof of address.

Failure to provide requested identification and Proof of Address may lead to the suspension of some Progressive Credit Union services on your account.

Data Protection

Progressive Credit Union is fully committed to protecting and protecting our members' privacy. In accordance with the General Data Protection Regulations we have updated all our privacy notices which sets out the basis on which any personal data we collect from and about you, or that you provide will be processed, used and stored by us. These privacy notices are available to all members.
